Vol.-I, No.-10 News bulletin of Goa State AIDS Control Society SEPTEMBER, 2010

International Youth Day

International Youth Day is the best time to commemorate the power and strength of the youth all around the globe. International Youth Day is celebrated every year on 12th August since 1999. United Nations defined an event for highlighted awareness on the requirements of young people in the middle of 10 to 24 years. On the other hand, the youth send some affectionate mails to extend this day with their darling, friends, esteemed ones on this day.

In line with the theme for the International Year, the theme for this year's International Youth Day is "Dialogue and Mutual Understanding". The choice of theme reflects the General Assembly's appreciation of the value of dialogue among youth from different cultures as well as among different generations.
